

Akira Back

With every moment in life, one creates a memory so profound that one must share it with the rest of the world. Both as a former professional snowboarder, and now as a Michelin Star Chef, Chef Back brings these profound memories to his namesake restaurant, Akira Back, a modern Japanese restaurant with Korean essence.

His boundless creativity and genius approach have taken him all over world. Working with world renowned celebrity chefs, Chef Back's culinary exploration have taken his career to new heights such as winning a Michelin Star for his culinary excellence at Dosa in Seoul. Following the famed Yellowtail at the Bellagio, Kumi at Mandalay bay, his first Akira Back in New Delhi at the JW Marriott Aerocity, Akira Back in Jakarta, Indonesia, Chef Akira has continues to spread his culinary wings to many places around the world such as Singapore, Toronto, Dubai, Hanoi, Bangkok, Dallas and Seoul.

We invite you to experience these moments with us and together create profound and delicious memories here at Akira Back.
